

18V Gasless 90mm Framing Nailer Kit

NR1890DBCL(GMZ)

- 18V Air Drive system, nails driven deep by compressed air
- Low running costs, no gas cartridge required
- Dry-fire lockout function stops the nailer from being fired when nail levels are low
- Low noise and low recoil, making it safer and more comfortable to use

Supplied with 2x 1080W MULTI VOLT battery,
32min Rapid Charger, safety glasses and carry case
